

2025 CALENDAR

Close your climate and
health skills gap to drive
sustainable growth with
Future Food Movement

Q1 & Q2

Connect

Build your Network

Join us at high-impact events that connect you with experts and competitors across the food industry, facilitating crucial conversations that help you influence stakeholders, enable change and long-term sustainable growth.

Inspire

Tap into Wealth of Knowledge

Access expert insights and thought leadership to stay ahead of industry shifts, future-proof strategies, and navigate regulatory changes for long-term growth.

Learn

Close the Climate & Health Skills Gap

Equip yourself - from the boardroom to the shop floor - with certified training to build confidence, enhance knowledge and improve decision-making skills to facilitate sustainable growth.
